

# HAUTE CAKES

## RULE OF 4!

### 4 INGREDIENTS

coconut oil + proprietary natural blend

### 4 LOCATIONS TO APPLY

- underarms
- under breasts
- the whole genital region
- feet

### 4 FAST FACTS:

- control yeast, bacteria & fungus
- maintains healthy pH
- perfect finish to your hair removal process
- makes everywhere you put it smell like cake!

A personal care enhancer and natural intimate elixir, HAUTE CAKES is pH balanced and great for application in intimate areas for soothing moisture and freshening -- it even smells like cake!

**DIRECTIONS:** One dropper full to cover intimate area. Elixir liquid state is temperature dependent. If solid, hold under warm water to return Elixir to liquid state. Safe to enjoy daily for personal care and for intimate play!

### HAUTE CAKES FEATURES:

- Smells DELICIOUS!
- pH Balanced & instantly freshening
- Moisturizes and soothes delicate skin
- USDA-certified organic plant-based recipe
- Paraben, glycerin, and gluten-free
- Vegan-friendly and cruelty-free
- Lovingly made in the USA
- Solidifies below 76°F - warm gently between hands or under warm tap water to return to liquid state

### SELL TIPS:

- Great for adding moisture and comfort to intimate areas
- Anti-fungal and anti-microbial properties help to combat yeast & bacteria topically
- Check out the rest of our Wellness Line for soothing, comforting products!
